Redondo Union High School

Redondo Beach, California

Redondo Union High School, our Alma Mater, is actually our castle. At the pinnacle within are: the Kings and Queens, our seniors; heirs apparent to the throne, the Princes and Princesses, our juniors; the Counts and Countesses, our sophomores; and lastly the Barons and Baronesses, our freshmen. All these royal personages are working together for a common cause, to make our castle superior and invulnerable. Our 1957 yearbook, then, is presenting to you a new and different Pilot, a Pilot of royalty.

One fine day in the spring of 1907, a boy and a girl, Bert Lerch and Mina Sanderson, stood side by side and all alone to receive their high school diplomas. Today, a full fifty years later, we of Redondo should think on the pleasant ordeal of Miss Sanderson and Mr. Lerch, in tight billowing gown and tight celluloid collar, with particular pride and fondness, for they were the first pioneers. They were the first graduates from Redondo High School. Furthermore, as a final testimonial to the toughness and adaptability of the Redondo species, both Miss Sanderson (now Mrs. Mina Sanderson Currier) and Mr. Lerch are very much

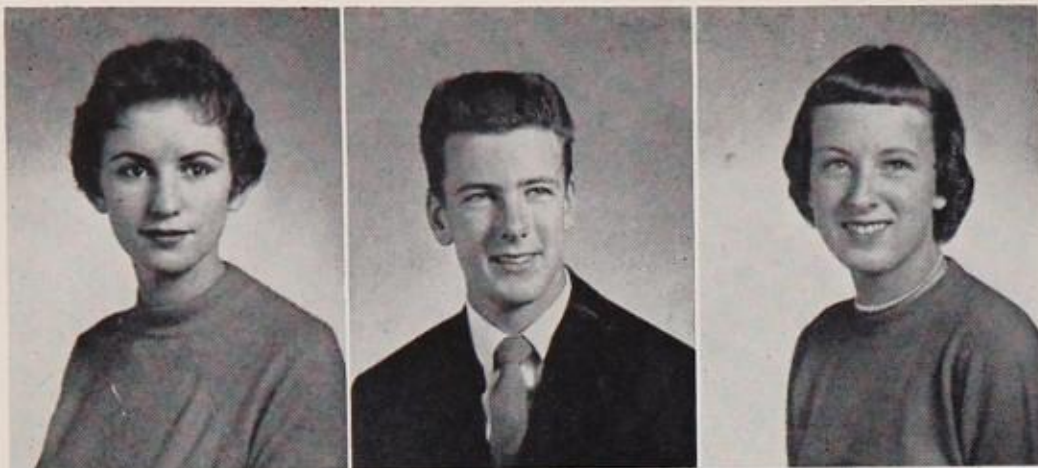

THE FIRST PLAY to be presented at Redondo High School, "Esmeralda," was performed in April of 1907. Miss Dora Campbell Davis and Mr. Albert Lerch, one of the first two graduates are pictured in that play. At lower left is Mr. Lerch as he is today, and at the right is Miss Mina Sanderson, the other graduate of 1907. The picture was taken on our campus. At the left is Mrs. Currier (nee Mina Sanderson) as she is today.

alive. Mrs. Currier, after a long and distinguished career as a California teacher, now lives with her husband in retirement on a farm near Arlington, Washington; Mr. Lerch, after more than 46 years with Southern California business firms, including 37 years with Standard Oil, is in retirement, living in Los Angeles when he is not traveling about the world. Both of our earliest classmates are alert to the present and clear-eyed and charitable about the past; the letters the PILOT has received from each are exceptionally well-written. The spelling is flawless and the grammar unimpeachable. Who says we don't teach our youngsters anything here at Redondo?

"Madrigal Singers" is a name that originated in the fifteenth century. It is defined as: An unaccompanied polyphonic group, singing in two to five parts, making use of counterpoint and imitation. The Madrigal, which by 1450 was fully developed in the Netherlands, grew out of the application of descant to secular melody.

Only the best musicians of the fifteenth and sixteenth centuries were in Madrigal groups. This custom has been passed down through the ages and is still prevalent, because here at Redondo we, too, use only the choice in our Madrigal Choir. It consists of six sopranos, six altos, five bases, and five tenors which are all chosen for their musical ability, appearance, stage presence, willingness to practice and perform on their own time.

Each year the Madrigal Choir makes numerous appearances. The following are some of the places they have performed: County Fair, Palos Verdes Breakfast Club, Kiwanis, Redondo Beach Women's Club, Palos Verdes Neighborhood Church, various P.T.A.'s, American Legion, "Young America Sings" (on KFI radio station), and as always, they help to inspire the graduation ceremonies.

In these programs, Madrigal Choir sings typical Madrigal music of the fifteenth and sixteenth centuries. Added for variety are novelty tunes, sacred rites, Negro spirituals, and music of foreign lands sung in its vernacular.

The highlight of their year is the trip to Stockton. Only select groups are invited to attend this annual conference. At Stockton, Madrigal represents not only Redondo, but the whole Southland; this year they sang with 1500 other selected students under the direction of Jester Hairston.

Madrigal Choir is not merely a group of excellent musicians however, they have added to R.U. H.S. certain aesthetic qualities, honor and fame that could never have been attained without them. Our hats are off to Mr. Misenhimer and his fine group.

De Olde Humming Birds

Those students who find pleasure in exercising their vocal chords may join the Beginning Glee. Under the instruction of Mr. Misenhimer these students find singing as a group most enjoyable. After some of Mr. Misenhimer's training, the ambitious members of Beginning Glee (bottom picture) may climb the ladder of musical success to perform with one of the advanced groups, the Advanced Glee (middle) or the Choir (top).

Highlighting this year's Fiesta were many specialty dances from the different states of Mexico presented by the Girls' Physical Education Department under the direction of Miss Bea McCollum.

A brilliant innovation was a dance, "The Hunters," performed by our talented cheerleaders, Mike Sharp, Dave Jones, Ron Schaeffer, and Pete Olsen.

Many hours of dyeing and feather-sticking were spent preparing for the intricate intriguing Plume Dance.

The modeling of many of the lovely costumes brought back from Mexico by Miss McCollum provided an interesting interlude.

Our honored guests who participated in the traditional breaking of the pinata were: Mr. Sutphen, Mr. Morris, Mr. Crable, Mr. Smith, Mr. Vaughn, Mr. Mercadante, and Mr. Hoyme. This year's pinatas were filled with many special surprises . . . extra goodies which surprised all!

This was one of the most successful Fiestas. . . Much fun was had by all!

Coach Bob Cardona led the Redondo football team to the Bay League crown. The "Big Red" of Coach Cardona defeated such teams as Inglewood, Santa Monica, and Centennial to gain the crown.

REDONDO 41, MORNINGSIDE 14 — This was Redondo's first win in what turned out to be a highly successful season. Bruce Seifert tallied three times while Dean Moore scored once on an 82 yard run and threw two touchdown passes.

REDONDO 19, SANTA PAULA 0 — Although hindered by many penalties, the Hawks downed Santa Paula's Cardinals in convincing style. Seifert scored twice, and Moore scored once.

HENRY FERNANDEZ is being tackled by a Morningside man. Also pictured for Redondo are Stan Santee, 60; and Tom Willhite, 87. After this 41-14 victory, the experts began to predict the great season which Redondo was to have. This was the first game of the year and touched off a host of Redondo victories in football as well as in other sports.

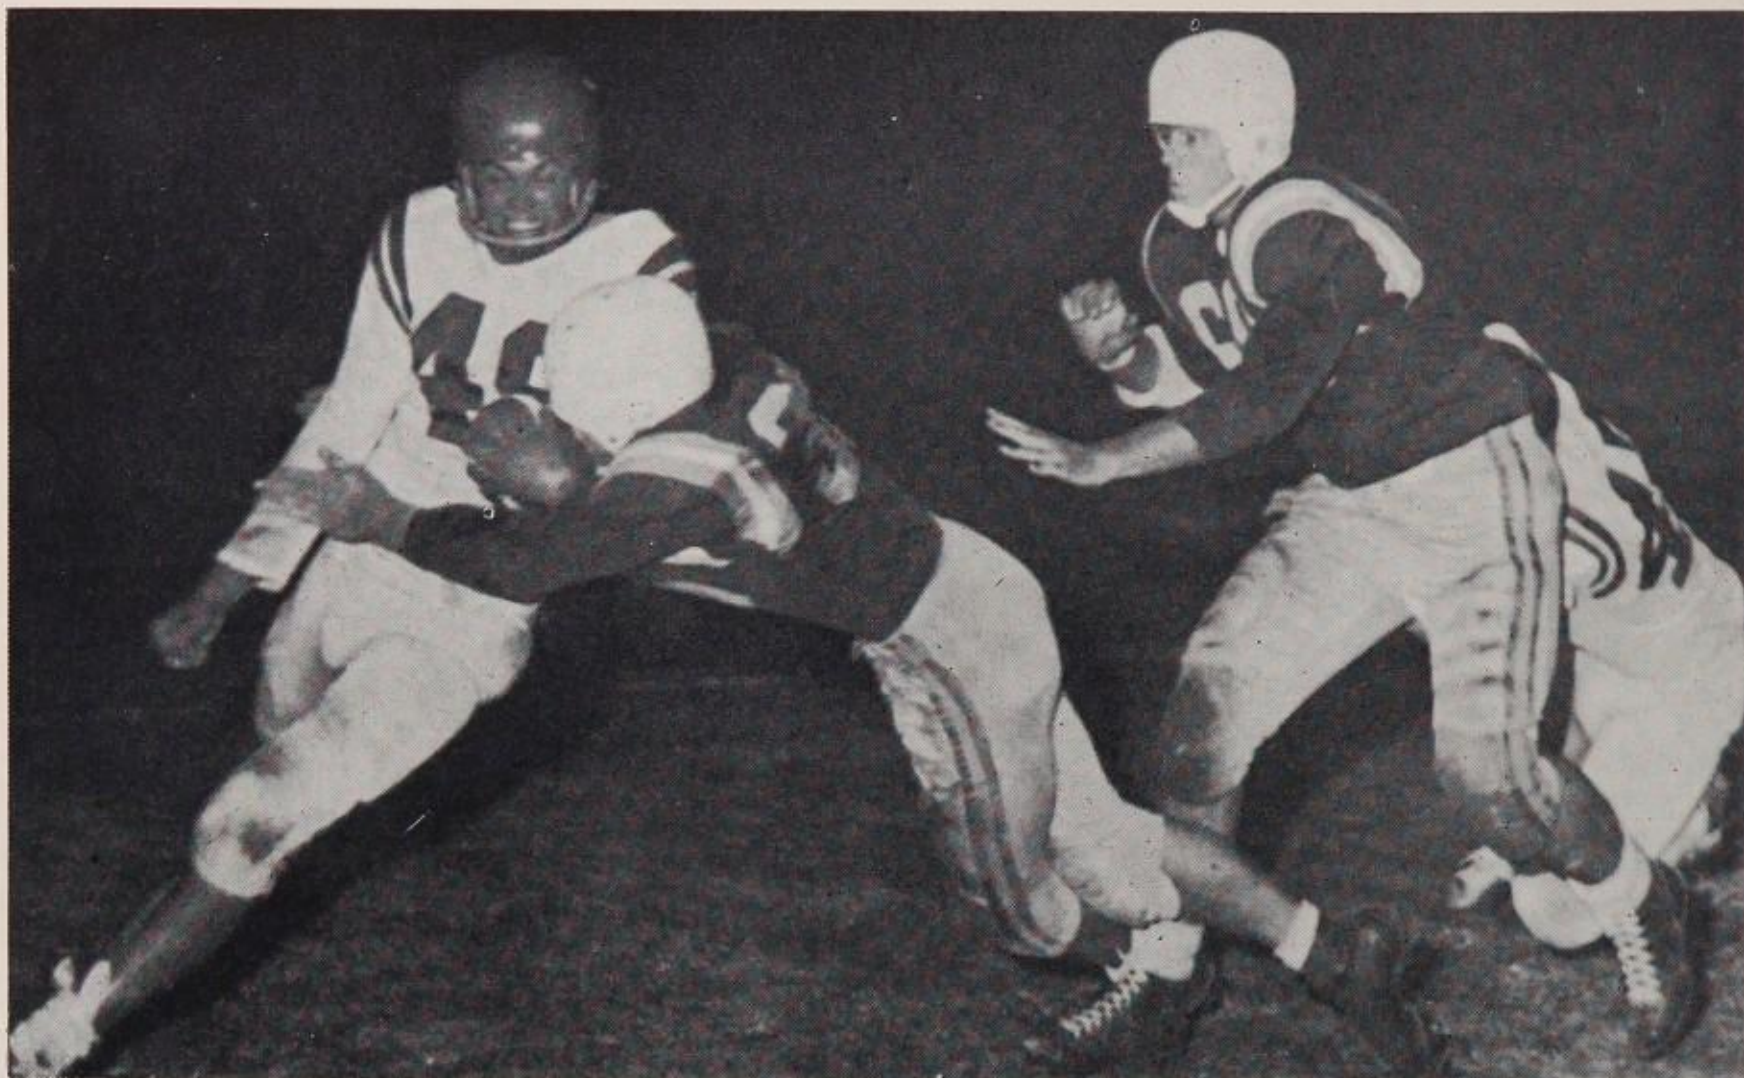

PICTURED HERE is an example of the fine defensive play on the part of Art Webb, Lou Cook, Ron McDougald, and Bob Carlson.

REDONDO 39, INGLEWOOD 6—Remaining undefeated for the 1956 season, the "Big Red" rolled over Inglewood's Sentinels. Moore scored four times, and Gene McCann raced to paydirt with a 30-yard pass interception to lead the locals to their first victory over the Sentinels since 1947.

REDONDO 20, LEUZINGER 13 — Redondo's hopes for a Bay League championship were brightened considerably as the Hawks downed a very impressive Leuzinger eleven. Moore, Seifert, and Lynn Hoyem each tallied once for the locals, and Henry Fernandez booted two PAT's.

SUPERVISING PRACTICE are Coaches Chuck Waters, Vince McCullough, and Bob Cardona.

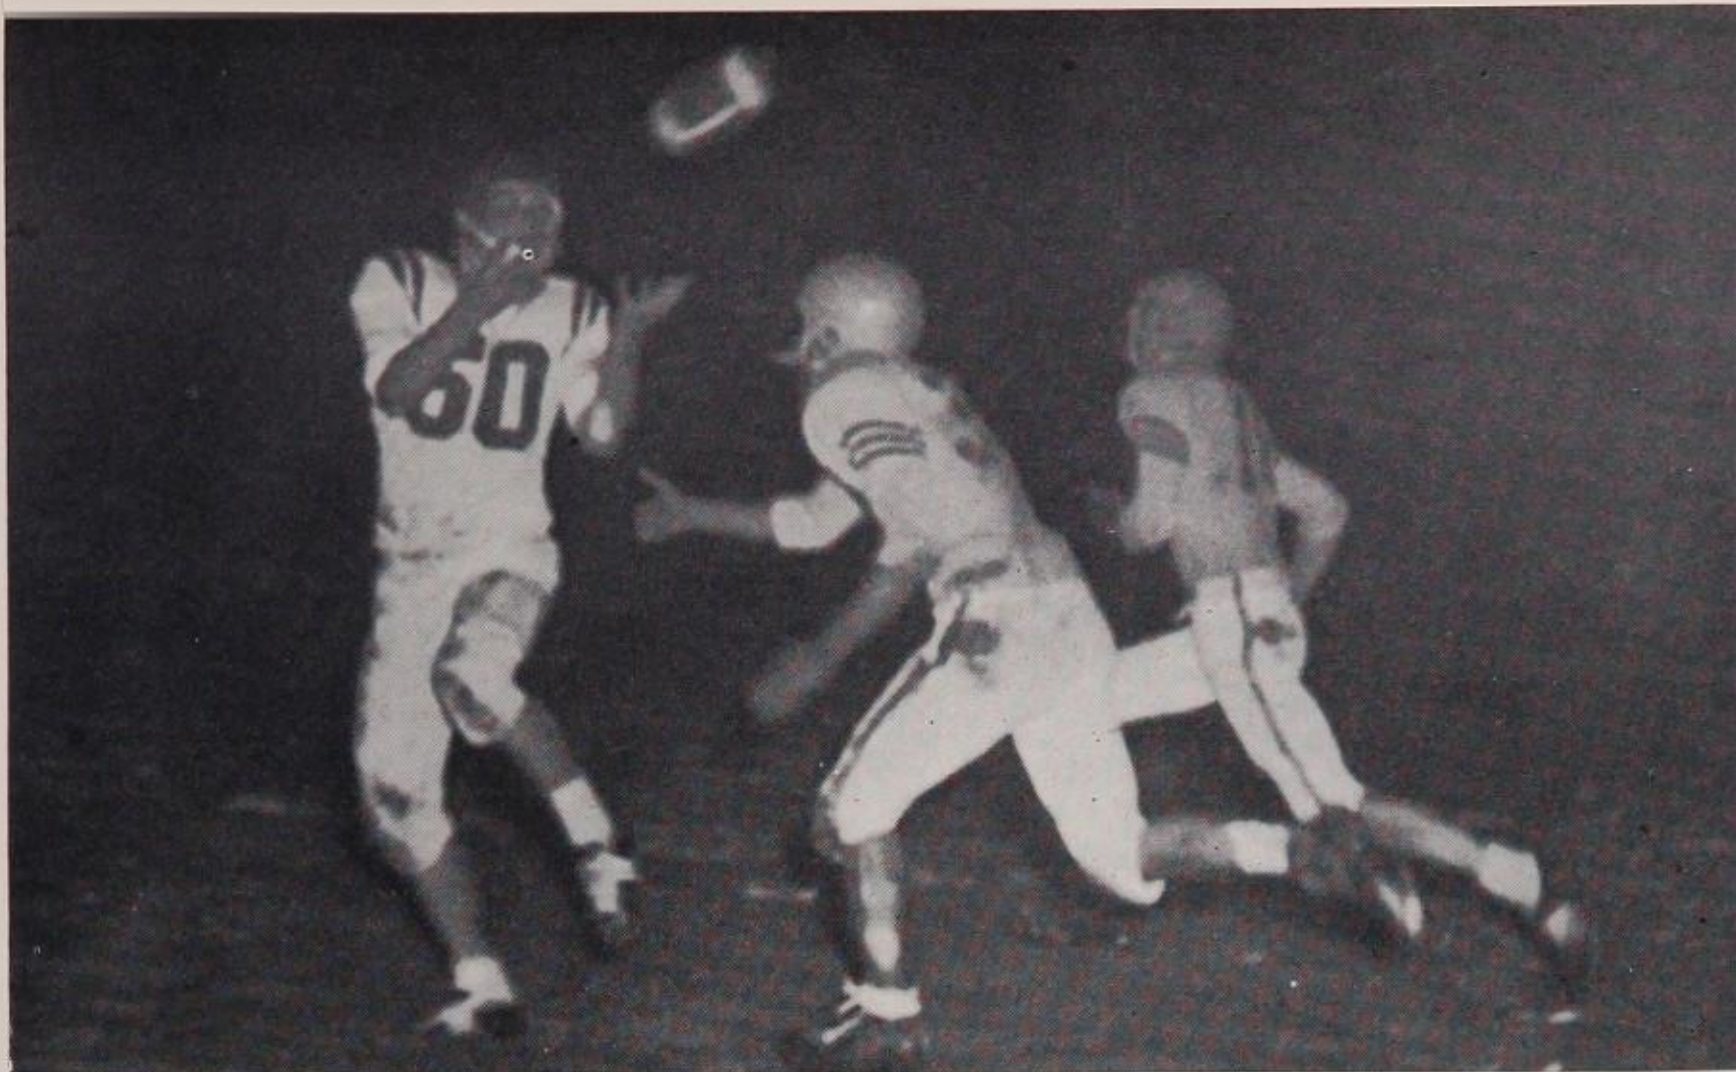

TWO MIRA COSTA MEN move in to make a tackle on Bruce Seifert; helping out on the play is Don Marone, 47. The Mustangs were lucky enough to gain a 19-19 tie in this crucial contest. The Mustangs were really "up" for the big game, and they went away quite satisfied.

REDONDO 19, MIRA COSTA 19 — This fateful Friday evening found an inspired Mustang eleven holding the powerful Hawks to a 19-19 tie. Seifert scored once, and Moore tallied twice during the contest. It was that little thing known as the point after touchdown that foiled the "Big Red" as well as the Mustangs.

DEAN MOORE tries to "turn the corner" but is held around the ankle by a Mira Costa man; rushing up to assist is Don Marone. Experts hailed the game as being very well played, but trouble in the extra point department hampered both teams.

GENE McCANN CATCHES ONE of his two touchdown passes as he gets behind the Santa Monica secondary. Moore threw both passes before he received a leg injury which was to limit his action for the remainder of the season. In the injury-laden fourth period, Bruce Seifert exhibited a running attack comparable to the best ever seen in SeaHawk Bowl.

REDONDO 13, SANTA MONICA 6 — With Bobby Carlson at the helm taking over for the injured Hoyem, the SeaHawks downed a stubborn Viking crew for the first time in ten years. Moore, McCann, and Seifert were the game heroes as Moore threw two T.D. passes to McCann, and Seifert ran the Vikes crazy in the fourth quarter after Moore was injured.

SHOWING THE STRAIN of the Santa Monica game are Tom Willhite, Alan Geach, Ron Carlson, Pete Brower, and John Heino.

COACHES CARDONA, KINCANNON, and WATERS talk over their strategy during the Torrance encounter. The SeaHawks won the Tartar game by a score of 27 to 0.

REDONDO 27, TORRANCE 0 — Looking forward to their first Bay League championship in many years, the SeaHawks downed the Tartars by an impressive score of 27-0. Don Marone substituted for Moore and scored twice as did Seifert.

REDONDO 26, CENTENNIAL 14 — BAY LEAGUE CHAMPS! The inspired "Big Red" under the leadership of Coach Bob Cardona downed an impressive Centennial eleven on the happy evening of November 14, 1956. McCann scored twice, Seifert and Moore each crossed the goal line once. "C.I.F. here we come!"

JUST OUT OF REACH is this attempted pass to Bob Gobel during the Centennial encounter. A tackle is being made just to make sure that Gobel didn't catch it.

COMING OUT OF THE SHOWER after being dunked is Coach Cardona. He was taken to the showers after the Hawks downed Centennial by a 26-14 count. This was the final league game of the season, and victory in this encounter gave Redondo a 5-0-1 record.

C. I. F.

BEVERLY HILLS HALFBACK Joe Rosencranz goes around end for a large gain against the SeaHawks. This first round CIF encounter was played at El Camino before a capacity crowd. Henry Fernandez, 57; Bruce Seifert, 49; and Gene McCann, 50, are in pursuit. The running of Rosencranz and Mitch Reinis tore the Redondo squad apart in the fourth quarter. The experts feel that had the locals not been plagued by injuries during the latter part of the season they would have gone on to gain a high place in CIF.

REDONDO 0, BEVERLY HILLS 20 — Redondo held the Normans scoreless until the fourth quarter when Mitch Reinis and Joe Rosencranz started ripping through the Seahawk forward wall which was badly overweighed. Beverly capitalized on a couple of breaks and ended Redondo's C.I.F. hopes.

REDONDO'S DRILL TEAM AND BAND perform during the halftime ceremonies of the Beverly Hills game. Much credit should be given to Mrs. L'Cena Rice who was the drill team advisor, and Mr. Lee Howell who led the band.

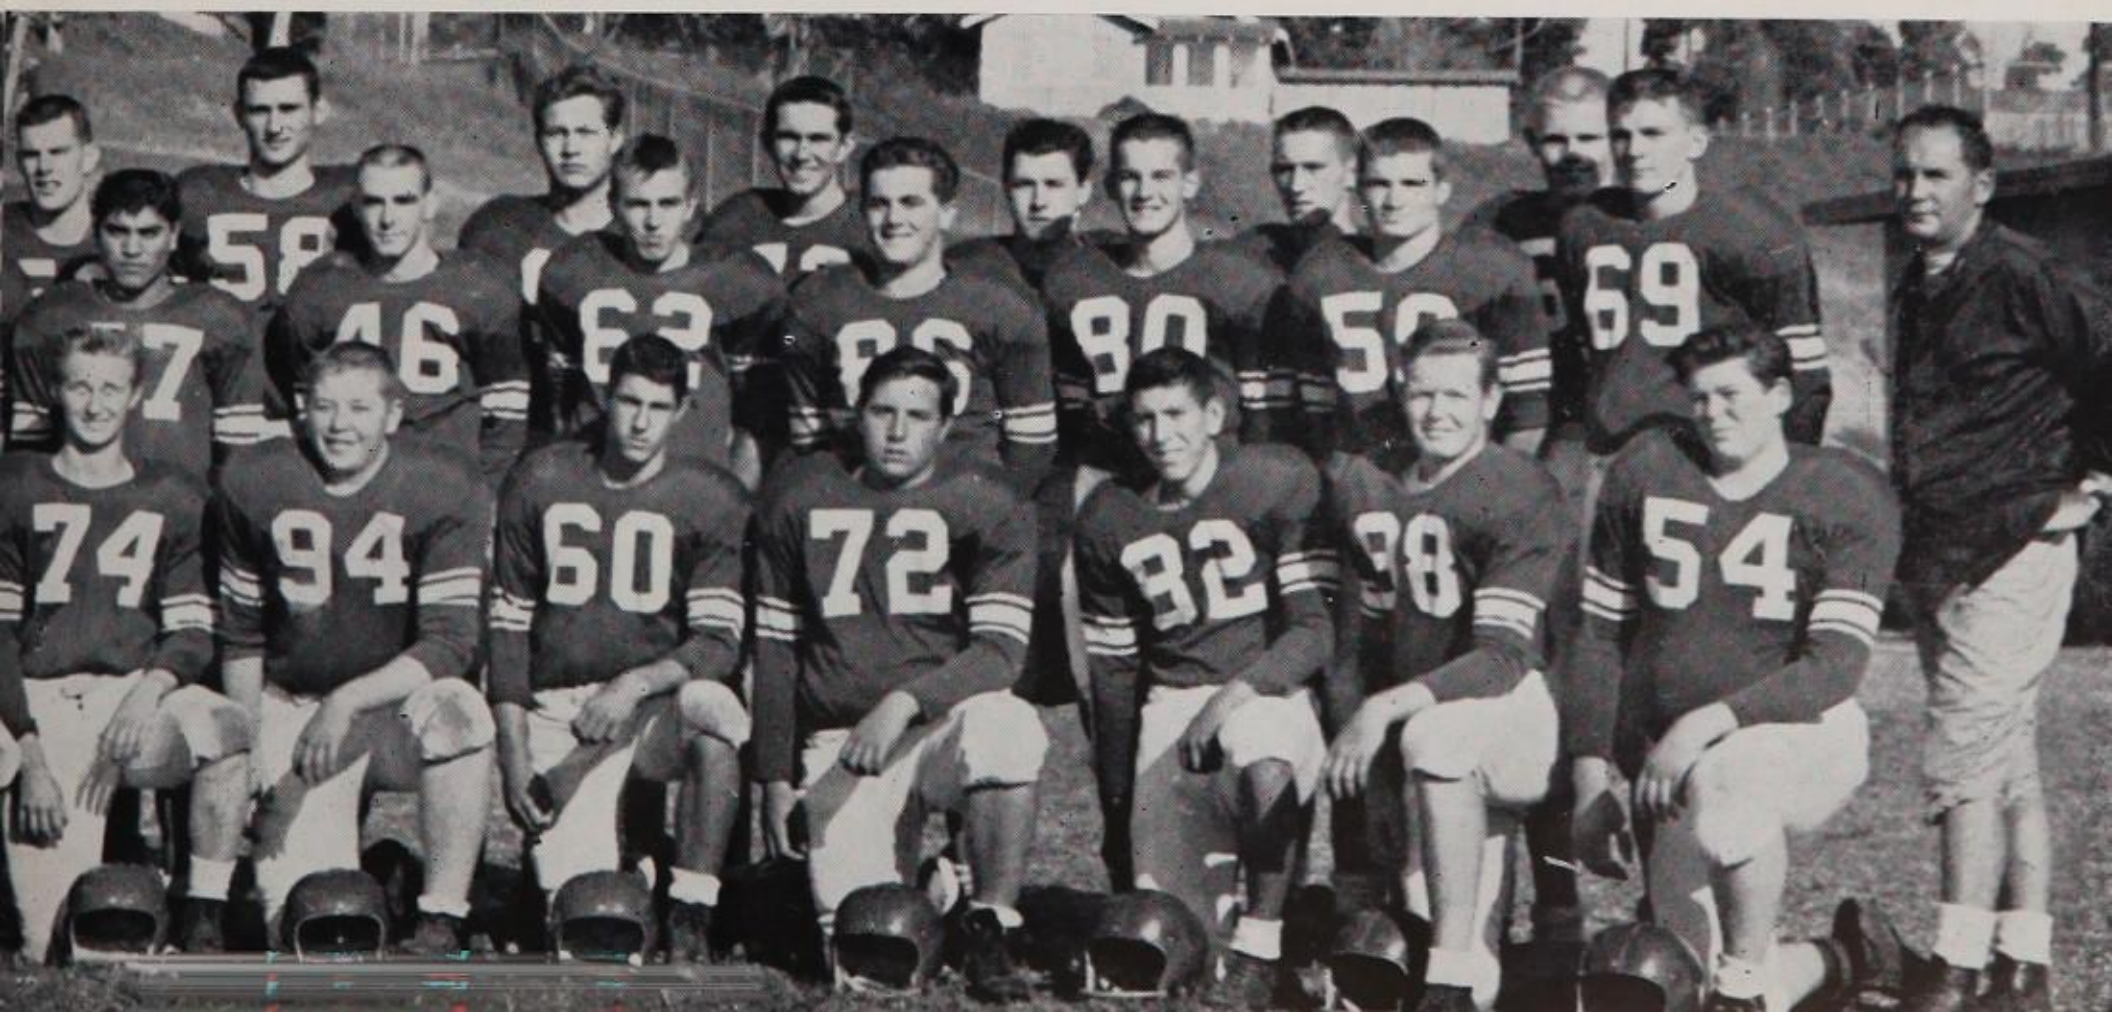

BAY LEAGUE CHAMPIONS! The Sea Hawk football team ended the season with a 7-1-1 record. Standing, back row—Seifert, Moore, row—Coaches Cardona and McCullough, Mgr. McCann, Webb, McDougald, Wilhite, Douillard, Iwohn, Marone, Hernandez, Buzzard,

Cooper, Geach, Gobel, Palmer, McDonnell, McCann, Hoyem, Clayton. Back, Hlavaty, Carlson, and Buddenbohm. Standing, middle Moore, Cobabe, Livingston, Atchison, Holmes, and Coach Waters. Kneeling, front row—Heino, Hays, Mattson, Lamphan, Cook, Sal-
atino, Carlson, Claypool, Santee, Gummerman, Contreras, Wooldridge, and Niemann.

COACH NICK AEGERTER'S CEE FOOTBALLERS showed very well this year. This was their first year together, and an even better showing can be expected next year. **Back row:** Coach Aegerter, Boswell, Little, Riggs, Miller, Patterson, Hooper, Crowe, Foster, McDonald, Underhill, and Brown. **Middle row:** Mgr. Scott, Stuart, Bondy, Gonzales, Sweeny, Rawlins, Price, Morrison, Slusher, Lindsay, Collins, Petty, Hamilton, and Clark. **Front row:** Trimble, McConville, Johnson, Haines, Van Dyke, Stonier, Evans, Valdispino, Craine, Nolan, Moore, and Colwell.

1956-57 found Redondo with its first Cee football team in many a year. The inexperienced Cees under the watchful eye of Coach Nick Aegerter, developed into an impressive group by season's end. They had a season percentage of .500; this included three ties, one win, and one loss. Many of this year's Cee gridders will move up to the Bee aggregation next year. Among this year's star performers were Gary Little, Bill Trimble, Wayne Gonzales, Kenny Lindsay, Lonnie Price, Mike Collins, Louie Riggs, Tommy Haines, Gary Evans, and Steve Van Dyke. It is hoped that by next year most of the teams in the Bay loop will field Cee teams; this would give Redondo and Mira Costa teams a fair field of competition.

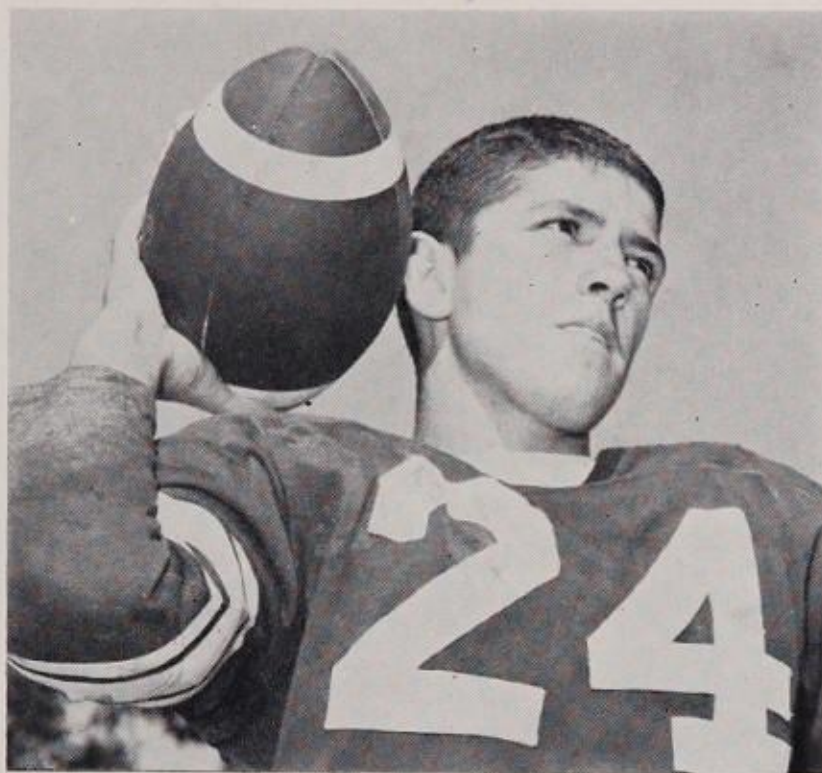

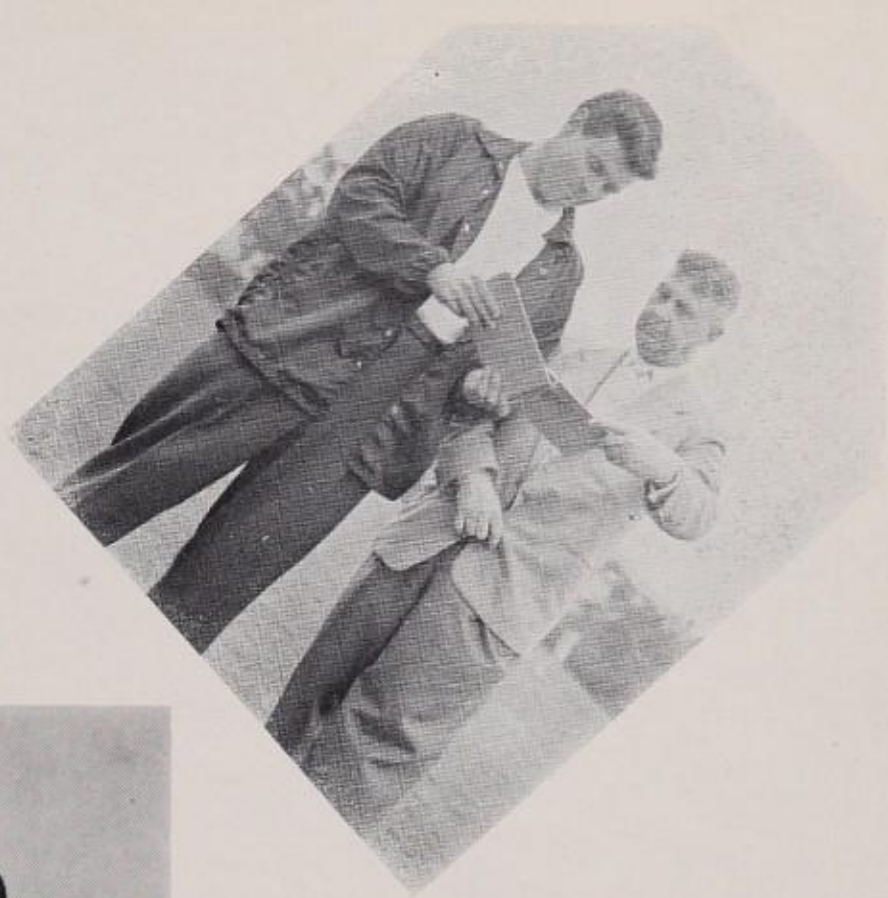

COACH NICK AEGERTER gives a "chalk talk" in preparation for a coming game.

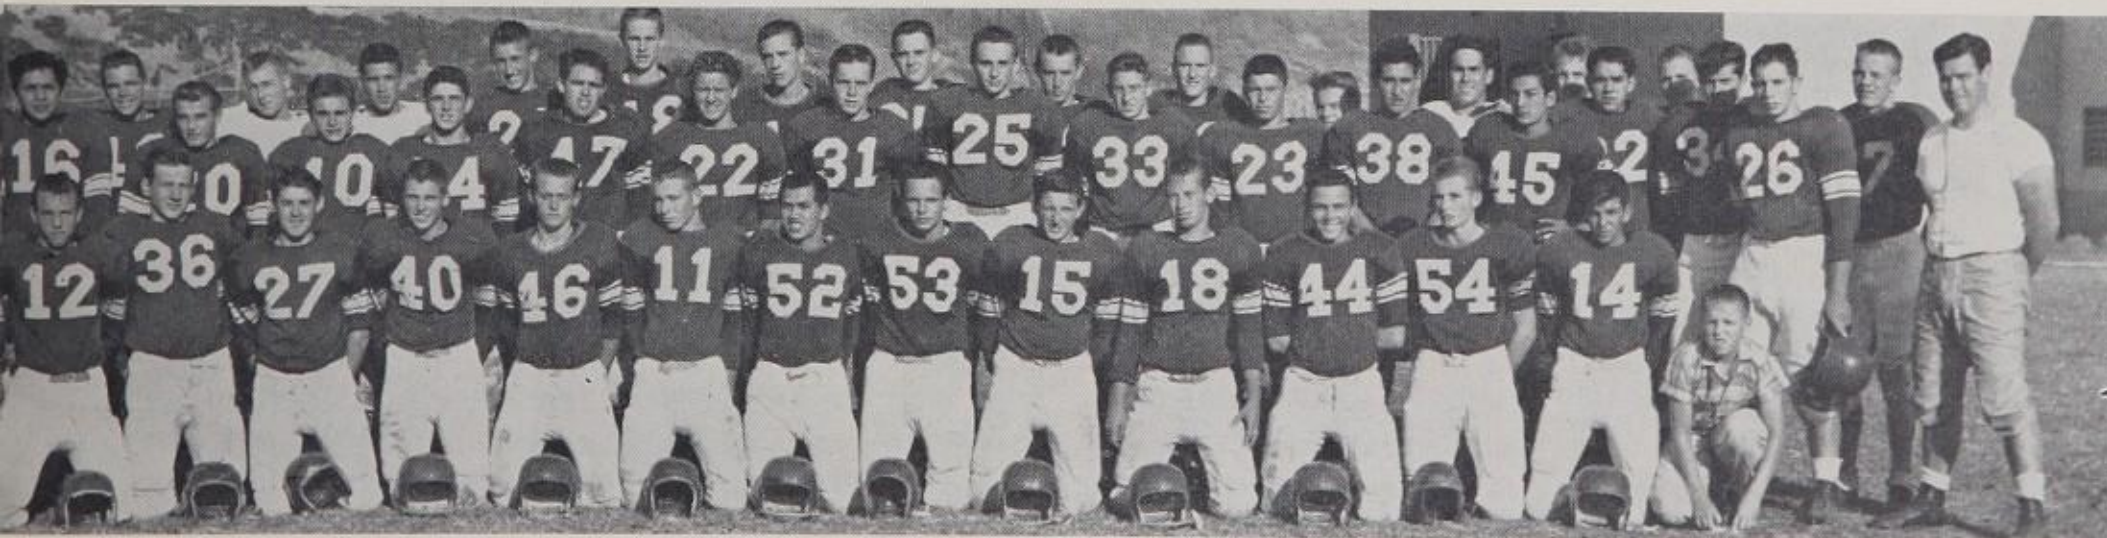

PLANNING the next game's strategy are Coaches Bill Wilcox and Harold Grant.

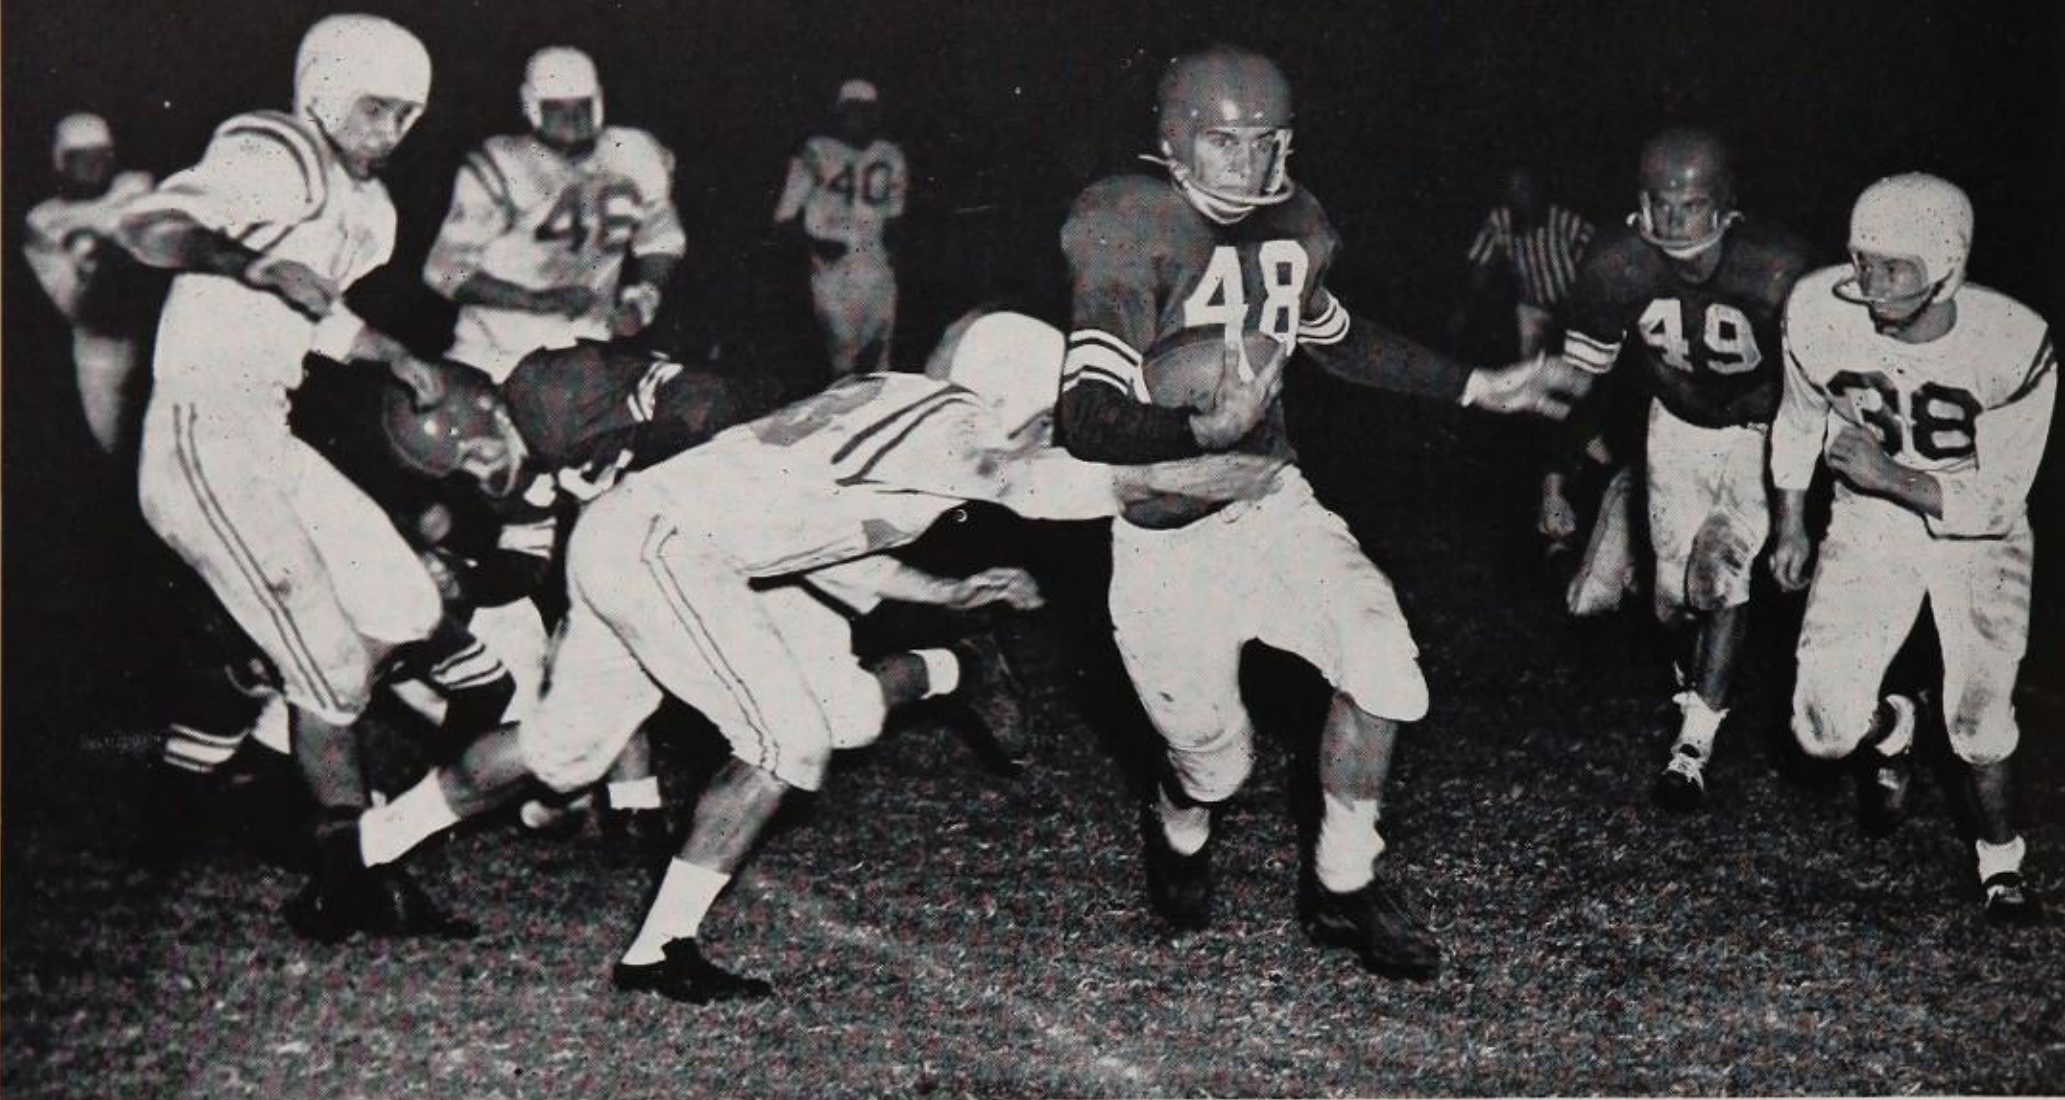

JESSE GONZALES, the "Little General," led his Bee footballers to the Bay League crown this season. His passing accounted for many of the locals' points; it seemed that he just couldn't miss the target.

Redondo's Bee footballers played a great brand of football throughout the season and thus copped the Bay League crown. Coaches Bill Wilcox and Harold Grant must surely be congratulated for masterminding the Bee attack. Under the field leadership of Jesse Gonzales, the "Little General," it seemed that no one could stop their attack. The combination of Gonzales to Dave Jones produced about 70 per cent of the team's scores. The starting forward wall, composed of Chris Elder, Jerry Skaggs, Cliff Box, Ron Shaeffer, Monte Cookus, and John Grothius, held the opposition down to practically nothing during the entire season. The locals ended the season with a five win, no loss, and one tie record and were probably one of the best teams in Southern California.

1956 BAY LEAGUE CHAMPS! Coach Bill Wilcox and Harold Grant's Bee aggregation downed all comers to take the league crown this year. **Back row:** Stein, Moore, Emerson, Sturges, Gladd, Box, Reister, Martling, Taylor, Billingsly, Bray, Willaby, Ochirero, Burbridge, and Bouse. **Middle row:** Coach Harold Grant, Croft, Valenzuela, Caruso, Lafferty, Gonzales, Johnson, Morrison, Colson, Bates, Russel, Flores, Sausido, Salsido, Duarte, Perry, Skaggs, Owen, and Coach Bill Wilcox. **Front row:** Bailey, McClain, Jensen, McBride, Jones, Elder, Grothius, Valenzuela, McCalister, Cookus, Shaeffer, Martel, Attrox, Ybarra, and Mgr. Scott.

A true champion is one who excels in any field. He is also, by implication, a competitor, aggressive as well as gifted. Championship, although popularly conceived as such, is not confined to the field of sports. Championship is evident, for example, in the academic world in persons who, through conscientious endeavor, consistently remain at the top of their classes. The academic champion realizes and respects the worth of the subjects he is studying and is willing to program his personal life in order to permit proper attention to them. Again, championship exists in the social world for those individuals who command the loyalty and admiration of their friends. Championship also prevails in the area of extracurricular activity for those students who are willing to accept responsibility and carry it through promptly and effectively. Finally, championship is especially evident in athletics among those who participate with enthusiasm and skill. The true champion in athletics is a leader of men, inspiring, cooperative, dependable. Championship inherently is a quality of mind and of heart.

No champion has ever won all the time; every great champion has triumphed over defeats and been the better for them. He wills, and the body and mind comply. The great champion is a perfectionist, and in this continual striving toward perfection the fruits of victory become a natural accolade. More than as merely a winner, he proves in victory that he has mastered himself.

Redondo High School prides itself in building champions, and occasionally a champion of champions comes along, a student who excels in scholarship, athletics, and conduct. Such a student is Dean Moore who embodies the ideal qualities of the American high school boy. He has been an outstanding student through his entire high school career (a member of the California Scholarship Federation for four years); he has been prominent in student body activities as an efficient president of the Key Club and a member of the student council; he has garnered ten varsity letters in football, basketball, and tennis; he was on the All Bay League Basketball Team and the All Bay League Football Team; he topped a brilliant high school athletic career by being named to the All California Interscholastic Federation Football team. He has the combination of intelligent leadership and team spirit which marks the great athlete in the finest sense of the word. He also has that special aggressiveness without arrogance that marks the worthwhile leader. He sets a high standard for all to live up to in conscientious scholarship, consistent participation, and personal integrity.

Redondo High School proudly salutes its champion's champion, Dean Moore, and wishes him continued success and happiness.

COACH MEL SEIFERT'S Varsity quintet, although not showing too well, played fine ball at times throughout the season.

Coach Mel Seifert's Varsity and Junior Varsity basketball teams had a rough time this season. The Varsity finished its slate with a 3 win, 9 loss record in league competition. There were, however, some bright spots during the season. In two losing roles, the Hawk hoopsters gave Bay League champion, Santa Monica, the toughest battles of the season, and they also looked good in several other contests.

The J.V.'s will form the nucleus of next year's Varsity hoop team. Ted Hays, Chuck Bray, and John Hutchison will be up from the J.V.'s, and the BeeHawks will contribute the likes of Jerry Joiner, Jim Hurst, and Tom Shearer who will team up with Phil Herman next year. They will replace such boys as Dean Moore, Bobby Garrett, Gary Swanson, Bob Gobel, Rusty Striff, and Gene McCann.

FIGHTING FOR THE BALL against Newport Harbor are Jerry Joiner, Jim Hurst, and Tom Shearer. Coach John Kincannon's Bee quintet took third place in the Santa Monica Invitational Tournament.

Bee, Cee Hoopsters Cop League Crowns

Bay League Champs: Coach John Kincannon's Bee and Cee basketballers took on and defeated all comers to gain their respective Bay League crowns. These championships are quite indicative of Coach Kincannon's prowess on the courts; out of eight Bee and Cee basketball teams he has fielded, five of them have been league champions.

The Bees had a season record of 24 wins against a single loss. They went undefeated in competition and suffered their only defeat at the hands of Newport Harbor in the Santa Monica Bee Invitational Tournament. The CeeHawks had a league record of 11 wins and one loss. Their sole defeat came at the hands of Santa Monica.

Jack Knudson, Isidro Delgado, Tom Shearer, Jerry Joiner, Gilbert Lujan, and Jim Hurst were the BeeHawk mainstays. Knudson led the scoring column with a league average of 14.9 points per game; Joiner and Shearer were second and third with averages of 11.6 and 9.5 points per game.

Mainstays of the Cee squad were Bobby Bellows, Doug Terrell, Larry Denhart, Bill DeCarion, Don McDonald, and Chudy Rodriguez. Bellows averaged 7.1 points per game while Rodriguez had a 5.4 point average in twelve games.

Coach Kincannon said that he had "never seen a high school team with as much co-ordination and teamwork as that possessed by his 1957 Bee hoopsters." There was a general consensus of opinion that the Bees would have probably won the Santa Monica Bee tournament had it not been for the loss of Gilbert Lujan and the illness of Jack Knudson.

The Cee cagers must be congratulated for their determination and come-back ability. They were forced to win several games by very slight margins in a league of terrific Cee entries.

Once again, Redondo says "hats off" to our championship Bee and Cee basketball quintets and to Coach John Kincannon who was so greatly responsible for their success.

COACH JOHN KINCANNON is being dunked in the shower after his Bee charges won league crown. Pictured are Rockwell, Shearer, Clemo, Hurst, and Gonzales along with Kincannon.

GOOD FOR TWO POINTS is this shot by Cee basketballer Bob Bellows. The Cees had a fine season and took first place in Bay League with an 11-1 record. The action in the picture is against a strong Santa Monica team.

VETERANS WHO PRODUCED the nucleus of Coach Cardona's baseball team are: Standing: Mike Frye, Louis Cook, and Jack Beattie. Kneeling: Charlie Veltre and Isidro Delgado.

PITCHER BOB CARLSON led the Hawk mound staff. A junior this year, he will be counted upon heavily next year. He is the brightest pitching prospect to come along in many a season.

Members of the racquet squad are: **Back row:** Coach Kincannon, McDougald, Stanton, Knudson, and Steinbaugh. **Front row:** Moore, Dailey, Bauer, and DeCarion. Not pictured is Bob Bellows. Everyone on the first nine has had at least one year of varsity experience with the exception of DeCarion.

Our Special Thanks

No yearbook can be produced without the aid of several people who never receive anything more than a mention on a page such as this. We too owe a great deal of gratitude to the many people who helped us through the long and difficult hours both in an advisory capacity and in the tedious manual labor involved. To Mr. Wilbur Reiersen and Miss Joyce Gahan we owe the developing and printing of many of the pictures. Mr. Tom Robertson for aiding us with type problems. To Mr. Caesar Hernandez and Mr. Jack McClain for not only advising us with our art problems, but also for allowing us to share in the time of their three top art students. To Mrs. Rinker and Mr. Crable for their invaluable assistance and advice on our copy. To Mr. Lee Howell and the band for their work on the record. A very special thanks to Miss Brigid Quinn and Mr. Dewey Nye for giving up an afternoon to come down and do the narration for our record. Any success that may derive from the record we owe to these two wonderful people and to Mr. Paul Crable for writing the original manuscript and to Mr. Ted Misenhimer and the Madrigal Choir for their splendid performance on the record. To Mr. Sutphen for his encouragement throughout the year and his fine performance in our record. To Miss Helen Sinsabaugh for not only all the times she has gone to bat for us but also the numerous times she let us "borrow" some of our personnel when we approached deadlines. We would also like to extend our thanks to Miss Peg Cook who after being PILOT adviser for seven years is always ready and willing to help us all the time.

The Lions' Club of Redondo Beach is in its thirty-third year of existence, and during these thirty-three years the club has been an enthusiastic supporter of the Redondo Union High School and all of its many activities.

One of our most enjoyable activities is that of sponsoring the annual Football Banquet. We have sponsored this affair for the past thirty years, and are most hopeful of being able to sponsor this event for many years to come.

Each year we have as an honorary member of the club a student of Redondo Union High School, who attends our weekly meetings and keeps the club personnel informed on the activities of this splendid high school. We also sponsor a speech contest each year, and the representatives from Redondo Union High School have never failed to make a most impressive showing in this contest.

The Lions' Club Good Citizenship Award is a coveted prize for a boy and a girl of Redondo Union High School. The award is made each year at graduation.

The Lions' Club sponsors many high school activities and, in turn, the high school has initiated a program of permitting the Lions' Club to sponsor the football program at one of its games, with the proceeds derived from the sales of the program being used for our Sight Conservation Project.

We again extend our very best wishes to the graduating seniors of 1957, and offer our congratulations to those of you who are returning, for being fortunate enough to again have the privilege of attending this fine school.

REDONDO TRIANGLE MERCHANTS

HERMOSA AVENUE, REDONDO BEACH

Complete Modern Shopping Center

The old Chautauqua building from which the first class graduated was located where the present district offices now stand. Lower left is the barque "Katie Flecking" going ashore at Redondo Beach. Below is the "Katie Flecking" aground in 1905. Bottom picture shows the wreck of "Mable Grey" in 1908. Photos are from fine collection of Mr. Bert Lerch.

(Continued from Page 10)

It wasn't easy for those two to graduate. Mr. Lerch writes that the school was moved from temporary quarters in the old Masonic Hall to new quarters in the fall of '06; Mrs. Currier says of their new quarters: "... the old Chautauqua building ... was an eight-sided monstrosity — the classrooms around the sides, and a huge auditorium in the middle." She adds that she was drafted from a "Shakespeare addition" in Hermosa in order to warrant the hiring of another teacher and she had to ride the electric train to school; Mr. Lerch states that the district had to fight with all the wiles in its power to woo enough students away from Los Angeles to keep a school in operation. It seems that a teacher's duties in those days were in inverse ratio to the scarcity of pupils: Miss Mary Edwards (the best teacher Mrs. Currier ever knew) taught the upper classes in English, French, German, chemistry and "a few sidelines." (Displaying a remarkable memory for names, Mrs. Currier lists twenty-eight students at Redondo at that time.)

Fun wasn't abundant. "Our only recreation," writes Mrs. Currier, "was gossip, and trying on each other's belts and shoes." Mr. Lerch does not tell of his diversions at school, but at that time the main pastime of Redondoans seemed to be watching the barques and frigates break up in the fierce surf after they were washed ashore. He has many good pictures of gallant old sailing vessels in the processes of being pounded to pieces offshore. It was chiefly because of this treacherous water that Redondo missed out in becoming a major seaport similar to San Pedro today.

We hope that you have enjoyed this too brief visit with our first grads and the Redondo of a half century ago. Isn't it reassuring to know that our links with the school's past stretch unbroken all the way back to the beginning of things?
